

Discover your Competences - Homework Assignment

Dear Student,

Soon you will participate in the workshop "**Discover your Competences**".

This workshop is designed to inspire you on your journey of self-discovery. To get the most out of the workshop we suggest to schedule some time for self-reflection by taking the two personality tests below. Taking these tests is mandatory and needs to be done **before** you come to the workshop.

Both tests take approximately 1 hour to complete.

- 1. VIA Character Strengths Survey:** go to <https://www.viacharacter.org/account/register>, create an account and take the test.
- 2. Work Value Test:** go to <https://www.123test.com/work-values-test/> and take the test.

Please take your test results to the training. Good luck and we look forward to get to know you during the workshop!

With kind regards,
UM Career Services
